DAY OF MOURNING

The state of New York just voted to expand abortion access right up to the birth of the baby! To celebrate this unbelievable depravity they lit the One World Trade Center in pink!

We have crossed a line of inhumanity that should drive us to our knees. Forty-six years of the state-sanctioned killing of children and bloodguilt should cause us to mourn and to take action.

"Turn to Me with all your heart, with fasting, with weeping, and with mourning. Rend your heart, and not your garments..." (Joel 2:12-13)

We are in desperate need for God to move on our hearts and restore liberty and justice in our sinful land.

Join us **February 23rd** for "A National Day of Mourning."
